

ATLAS HOLDINGS & MARKETING SERVICES INTERNATIONAL

Blue Sphere

Blue Sphere Energy specializes in private oil and gas investments for sophisticated investors. We seek to provide both current cash flow plus tax benefits that may be used to offset other taxable income.

Eb5 Program

Under the EB-5 Visa Program, a \$500,000 investment in a “Regional Center” enables foreign investors to qualify for the Green Card without the constraints of having to set-up and manage a U.S. business. This immigration option allows investors to live in any U.S. state and engage in a business, employment, or any activity of the investor’s choice, or just retire.
